## UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEBRASKA

#### **Alternative Findings (B)**

- X (1) There is a serious risk that the defendant will not appear.
- X (2) There is a serious risk that the defendant will endanger the safety of another person or the community.

#### Part II— Statement of the Reasons for Detention

I find that the testimony and information submitted at the detention hearing establishes by X clear and convincing evidence  $\Box$  a preponderance of the evidence that

the defendant poses a risk of flight and a danger to the community. He has no living accommodations available in Nebraska at this time and therefore cannot reasonably be supervised. PTS will screen him for placement at Bristol Station and will advise the court if that option becomes available.

### Part III—Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or a designated representative for confinement in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or held in custody pending appeal. The defendant must be afforded a reasonable opportunity to consult privately with defense counsel. On order of United States Court or on request of an attorney for the Government, the person in charge of the corrections facility must deliver the defendant to the United States marshal for a court appearance.
